THE GOURMET ISLAND OF THE NORDICS

Karhusaari is an unique island located in the most beautiful environment in coastal Finland. It offers an excellent combination of relaxation in the nature and daily gourmet seafood which is always made from premium ingredients and daily fresh fish.

Experience The Best
Nordic Seafood &
Archipelago Lifestyle

Totally natural

Riitta Horto is award winning Seafood Chef running one of the most famous fish restaurants in Finland, Wanha Fiskari, together with her husband Matti Horto, who is a professional fisherman. The couple owns and operates Karhusaari with over 40 years of experience in seafood culinary. This is the island you need to visit when you are traveling in Nordic countries.

All the specialities

Here you can relax in natural surroundings, participate in boating and fishing activities. Combine this with the best and freshest seafood in the world and with the beauty of the Finnish archipelago, this is every fish-lovers dream come true. Karhusaari is also the island where the biggest Finnish companies bring their important guests to enjoy the seafood and nature.
