From Hotel Seurahuone, you can make a day trip to **Rakinkotka Isle of Vikings**. On Rakinkotka Island you can experience the lifestyle of the Northern warriors. Feast like Vikings did, relax around the campfire, participate the fierce Viking Games, catch the fresh fish from the sea or just enjoy the peaceful calm of the nature.

You can also try out your skills with river rafting and fishing at **Erämys Riverside Nature Camp**, while you get to taste a special meal called Rosvopaisti (robber's roast), which is roast meat cooked underground in a cooking pit.

When accommodating in Hotel Seurahuone, you can rent **Ollinkarit private island** for a day for yourself and your friends. Apart from the staff who is cooking, heating up saunas and organizing different activities for you, there are no others disturbing your relaxation.

One exciting alternative is also to make a day trip to nearby Varissaari island. Over there you can wine & dine at beautiful restaurant Vaakku, rent a sauna boat or participate treasure hunting. Varissaari is only a short trip away from Sapokka Harbor. At Sapokka you can also find commuter ferries, which will take you to explore nearby islands.
